

Levi Korell

I am an NAU student majoring in Cybersecurity & Japanese.

I aspire to become a Penetration Tester

Introduction:

My name is Levi Korell. **I have experience working in IT and customer service,** and my interests include technology and Japanese language.

Skills:

I am skilled in the following software:

Software

- Blender
- Unity
- Python
- Microsoft 365 Suite

Projects:

3D scan-based Animations

I utilize 3D scanning technology to bring animations to the real world, bringing imagination to life as dragons soar across the skies of Flagstaff, or Legos that come to life on NAU campus.

Pen-Pal Program

I have been working on an app to make being pen-pals a little bit easier, with age verification and in-app translators so that kids can expand their cultural horizons.

Education and Experience:

Work Experience

Company	Position	Duration
In-N-Out Burger	Customer Service	Oct. 2023 - May 2025
NAU IT Services	Customer Service	Oct. 2025 - Present

Education

Institution	Degree	Duration
